

Imagine Willamette

Clackamas County's Water Environment Services (WES), on behalf of Clackamas County Service District #1 and Tri-City Service District, is purchasing the property for its environmental management assets and plans to use only a small portion of the site. The City is heading up a master plan process to identify possible future uses for the remainder of the site. Please visit <http://imaginewillamette.org> to learn more.

For more information contact Sara Javoronok at 503.722.5512 or sjavoronok@westlinnoregon.gov.
